

# SAVE BRONTE VILLAGE

## Save Bronte Village Newsletter

Calling all Villagers - Save Bronte Village is holding a rally to reclaim our suburb. Join us on December 8th as together we protest against the WLB-RSL shopping mall development proposal. We need to protest now because we must send a message to our representatives, to the developer and to the RSL that our community does not want this development before anything is set in stone. It is only together that we can take back control of Bronte and save our suburb. Our rally will be

family friendly. We are planning activities for kids so bring them along! Make sure you bring a sign or banner with you. Please arrive at 10am sharp for maximum effect - we are expecting the media to be present. We really hope to see you there!

## Stickers, Posters and T-shirts available

Save Bronte Village is offering merchandise to raise money to fund our fight against this WLB-RSL shopping mall proposal. The money will be used for printing costs, rally costs such as Council fees, engaging a traffic consultant to produce our own traffic report and legal fees. This battle for Bronte will continue for a long time and the developer has deep pockets. Please help us by obtaining some of our goods at the rally. Donations for waterproof stickers will be \$2, placards will be approximately \$25 and T-shirts approximately \$35.

## MEET THE DEVELOPER

WLB Developer, David Hynes, will be at the Bronte Beach Precinct Committee on **Wednesday Dec 5th**. The precinct committee meets at the Lugar Brae Church Hall, Lugar Brae Lane from 8pm. We need a really big turn out to show him we don't want this WLB-RSL shopping mall development.

## What we've been up to:

Save Bronte Village has met with, and presented to, the Clovelly Public School P&C and Mr Peter Monks, Director Planning & Environmental Services Waverley Council.

The School P&C have been very supportive and they are rightly concerned about the adverse impacts of this development on the school community. They are writing a submission to the Council on these impacts.

Mr Monks took time to listen to our concerns about the proposal. He assured us of the Council's independence with regard to any development at the RSL site. He reiterated the Council's preference that the developer does not submit either a DA or a planning proposal to amend the LEP before the Council has completed the site specific review. This review should be presented to Council by March 2013.

On Sunday 25th November, many Save Bronte Village supporters attended the Mayor's Mobile Office at the Bronte Bowling Club. Our elected representatives were left in no doubt that our community is saying NO to this shopping mall development. Good work villagers!
